

PRIDE OF CASE V AWARDS

ABSTRACT

Title of Entry: *Earlhamite* magazine, The Medical Issue

Category number and title: #44, Excellence in Research/Scientific/Medical Writing, Series

Description: Earlham is a national leader in producing future medical doctors and Ph.D.s in the life sciences. The College is well-known for the near-perfect acceptance rates of its graduates who apply to medical school. So “The Medical Issue” was a natural for our magazine. The articles included in this series included profiles of alumni ranging from biotech entrepreneurs to university researchers to primary care physicians. The series also included a feature about how Earlham science courses to teach students to be more responsible and proactive patients. You may download PDFs of the articles at:
